Closed sidewalk

Open sidewalk

PLEASE SEE BACK OF NOTICE FOR MORE DETAILS

What is happening?

- Work crews are conducting borehole drilling on Front Street East on weekdays between 9 a.m. to 4 p.m.
- Borehole drilling is necessary to test the ground conditions under the street for the construction of Corktown Station.

What to expect

- The westbound curb lane on Front Street East will be closed as indicated in the map above.
- Pedestrian access will remain open along Front Street East. There will be a partial sidewalk closure leaving enough room for pedestrian use.
- A paid duty officer will help in directing pedestrian traffic to ensure the safety of the public.
- Nearby residents and businesses can expect to hear noise related to drilling, hydrovac truck and the use of heavy equipment. Crews will take measures to minimize noise impacts wherever possible.
- After each work shift, the borehole will be securely covered and marked for safety until workers return to continue drilling.
- All the necessary construction permits have been obtained.
- Work may be delayed or rescheduled due to unforeseen weather conditions.
- As always, please take care when travelling near work sites.
- For more information about upcoming station work please see Metrolinx.com/Ontarioline or sign up for the e-newsletter.

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
