

# Updated: Traffic Configuration Change at Eglinton Avenue West and Avenue Road for Watermain Disinfection Works

As early as Thursday, September 14, 2023

## What Work is Taking Place?

As early as Thursday, September 14, 2023, a new traffic configuration change will be implemented at Eglinton Avenue West and Avenue Road as crews perform watermain disinfection works. **Two lanes westbound of traffic on Eglinton Avenue West, in each direction, will be reinstated west of Avenue Road. Eastbound traffic on Eglinton Avenue West will remain reduced to one lane, west of Avenue Road.** The eastbound left turn from Eglinton Avenue West onto northbound Avenue Road will remain restricted. Southbound traffic on Avenue Road will remain reduced to one through lane north of Eglinton Avenue West. All crosswalks will be reinstated. This work is expected to take place on Monday - Friday between 7:00 a.m. and 6:00 p.m. for approximately one (1) month. Upon completion of this work, short term lane reductions may be required to facilitate special activities. Please review the complete notice or visit [www.metrolinx.com/eglintoncrosstownlrt](http://www.metrolinx.com/eglintoncrosstownlrt) for more information.

## What to Expect

A new traffic configuration will be implemented at Eglinton Avenue West and Avenue Road. A traffic control personnel and/or Paid Duty Officer will be present while traffic changes are implemented. Following the traffic change, short term lane reductions may be required to facilitate special activities.

---
