

Groundwater assessments along Eglinton Avenue West

Scheduled start: September 21, 2023

Timing: From 8:00 a.m. to 4:00 p.m.

Map of work area

What is happening?

- Contractors working on behalf of Metrolinx will be conducting groundwater assessment surveys in the areas marked on the map above.
- Data collected from the surveys will be used to inform planning and design work for the Eglinton Crosstown West Extension.

What to expect

- Residents and businesses near the work site can expect to hear some noise caused by trucks and equipment.
- Traffic and pedestrian access will be temporarily impacted. Short-term closures will be communicated through on-site signage.
- Temporary diversions will be removed once work is complete.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
