

UPDATED -- Overhead Utilities Works - Squires Beach Road - Pickering, Ontario

Starting August 21, 2023

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.
