

UPDATED: Traffic Configuration Change at Yonge Street and Eglinton Avenue

As early as Friday, August 11, 2023

What Work is Taking Place?

As early as Friday, August 11, 2023, a new traffic configuration will be implemented at Yonge Street and Eglinton Avenue. Traffic on Eglinton Avenue will shift to the north side of the road between Yonge Street and Holly Street, and construction will move to the south side. All other traffic staging, turn restrictions, and sidewalk and crosswalk closures will remain in place. This traffic configuration is expected to remain in place for until approximately early-October 2023. For more information, please review the complete notice below or visit www.metrolinx.com/eglintoncrosstownlrt

What to Expect

Noise from construction activity, including trucks, breaking of concrete and asphalt, utility work, and use of heavy equipment can be expected. Construction vehicles and trucks will stage within

work zones and traffic tapers. Traffic barrels, fencing, and signage will be in place to delineate work zones. Occasionally, use of a hydro-vacuum truck, jackhammer and/or compaction roller will be required. Expect delays while travelling through the intersection. Access to private property will be maintained. Traffic control personnel and/or a Paid Duty Officer will be present, while the traffic changes are being implemented.
