

# Utility maintenance on Queen Street West

**Expected Start Date:** As early as September 25, 2023

**Expected End Date:** October 15, 2023

**Planned work hours:** 9 a.m. to 5 p.m.

## What is happening?

- Work continues along Queen Street to facilitate construction of the future Ontario Line connection at Queen Station.
- A full road closure remains in place from Bay Street to Victoria Street and will last until late fall 2027. This closure is needed to facilitate utility relocations and station construction.
- Yonge Street, Bay Street and Victoria Street remain open.
- Very shortly, Metrolinx's contractor will be relocating a maintenance hole within the south sidewalk along Queen Street.
- This work is expected to take approximately three weeks to complete.

## What to expect

- To facilitate this work, a portion of the south sidewalk along Queen Street near Bay Street will be closed to pedestrians (see map).
- Access to building entrances on the south side of Queen will be maintained, with one-directional access only.
- The north side of Queen Street will be accessible as noted in the map above.
- Clear pedestrian wayfinding will be in place to help guide people through the area.
- There will be an extension of the south sidewalk closure post October 15. More information, including updated pedestrian access, will be shared in the coming weeks.
- Noise levels are not expected to increase from current levels.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All the necessary construction permits have been obtained.
- For more information about upcoming station work please see [metrolinx.com/Ontarioline](https://metrolinx.com/Ontarioline) or sign up for the e-newsletter.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
