

Update - Overhead Utilities Works - Overnight Work - Rolling Highway 401 Lane Closures

October 13 - November 3, 2023

Knapton Avenue (October 13, 14, 19, 26, and November 2) and Harwood Avenue South (October 20, 27, and November 3)

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.
