

Geotechnical Investigative Work - Thickson Road Bridge - Whitby

Monday, October 30, 2023

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

As part of investigative work for the GO Expansion project, crews will be on site to locate borehole locations and to verify that locations are not in conflict with existing utilities. This work will support future track and infrastructure updates.

WHAT TO EXPECT

- Crews will be on site to locate borehole locations and to verify that locations are not in conflict with existing utilities.

Please Note: The work start date is tentative and may be rescheduled due to a variety of factors. Please reach out to the Durham Region Community Engagement Team for any questions.

HOURS OF WORK

- Crews will be on site between the hours of 8:00am and 5:00pm on Monday, October 30.
- Standard construction noise will remain within the allowable municipal by-law limits.

TRAFFIC DETAILS

- For the duration of the works, the right lane will be closed going Northbound on Thickson Road South between Tricont Avenue and Victoria Street East.
- Traffic signage and traffic cones will be utilized to direct traffic accordingly.

PEDESTRIAN DETAILS

- There are no anticipated pedestrian impacts from the upcoming works.

TRANSIT INFORMATION

- There are no anticipated transit impacts from the upcoming works.
