

Periodic Lane Reductions and Sidewalk Closures at Fairbank Station for Deficiency Repair Works

As early as Monday, October 2, 2023

What Work is Taking Place?

As early as Monday, October 2, 2023, crews at Fairbank Station will be performing road and sidewalk deficiency repair works on Eglinton Avenue West and Dufferin Street by the Fairbank Station's Main and Secondary Entrances. To facilitate this work safely, periodic lane reductions and sidewalk closures will be in place on Eglinton Avenue West and Dufferin Street. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West and Dufferin Street. Temporary pedestrian rerouting will be in effect in the area as crews perform sidewalk deficiency repair works. Access to properties will be maintained at all times. This work is expected to take on

East Community Office:

Disponible en français.

Monday - Friday between 7:00 a.m. and 7:00 p.m. for approximately one (1) week. Upon completion of this work, short term lane reductions may be required to facilitate special activities. Please review the complete notice or visit www.metrolinx.com/eglintoncrosstownlrt for more information.

What to Expect

Traffic barrels and fencing will be in place to delineate pedestrians from the work zones and traffic. Temporary pedestrian rerouting will be implemented. Noise from construction activity including concrete breaking and truck staging can be expected. Periodic use of a hydro-vacuum truck will be required to facilitate certain works. Access to properties will be maintained at all times. Expect delays while travelling through the intersection.
