

Bloor Street West Full Closure for Bridge Installation

Daily night closures from Monday October 23, 2023 at 21:00 to Saturday October 28, 2023 at 05:00

Information as of: September 2023

Closures on map may not depict actual closure. Dates and times are tentative and may be subject to change.

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To complete the bridge installation work, a full closure will be required on Bloor Street West, between St. Helens Avenue and Ruttan Street. Throughout the week, a full road and sidewalk closure will be required from 9 p.m. until 5 a.m. every night starting Monday October 23 and will be completed by Saturday October 28. During the full nightly closures, all traffic lanes and sidewalks will be closed. Closure & detour signs will be posted at nearest signalized intersections well in advance of the work. Paid duty officers will be present at both sides of the closure during the weekend of full closures. Work zone will be fenced off.

WHAT TO EXPECT

- Local residents can expect construction activity, noise, and lights. The work being performed will require heavy construction equipment and operating machinery (cranes, manlift, zoom boom, pickup trucks), and potential vibration. These disturbances can be expected at any time during the week including during the night.

HOURS OF WORK
