

# Geotechnical Investigative Work: Birchmount Bridge

Fall 2023-Winter 2024

## Project Overview

Work is underway to deliver the GO Expansion Program - the largest transit expansion in Canadian history. To allow fast, quiet, electrified, two-way, all-day service that will come with GO Expansion, Metrolinx will build new track, signals, rail facilities and electrification infrastructure, modify and build bridges, and improve crossings across the core segments of the GO rail network.

## Upcoming Work

<b>Construction Activity</b>	<b>Boreholes Stakeout and Locates</b>  As part of investigative work for the GO Expansion project, crews will be on site to locate borehole locations and to verify that locations are not in conflict with existing utilities. This work will support future track and infrastructure updates.	<b>What to Expect?</b> <ul style="list-style-type: none"><li>• Traffic controls will be put in place at the start of each shift</li><li>• Crews will work to identify and confirm borehole locations with GPS units and mark accordingly. Standard construction noise will remain within the allowable municipal by-law limits.</li></ul>
<b>Work Period</b>	As early as October 24th, 2023 to as early as January 25th, 2024	
<b>Work Hours</b>	Crews will be on site between the hours of 8:00am and 4:00pm	

***Please Note: The work start date is tentative and may be rescheduled due to a variety of factors.***

### TRAFFIC & PEDESTRIAN DETAILS

- There are no anticipated pedestrian impacts from the upcoming works.
- Traffic measures will be introduced sporadically throughout the project to facilitate the completion of this work.
