

Lane Reductions at Eglinton Avenue West and Avenue Road for Monitoring Equipment Installations

As early as Tuesday, October 3, 2023

What Work is Taking Place?

As early as Tuesday, October 3, 2023, crews at Avenue Station will be installing new monitoring equipment at Eglinton Avenue West and Avenue Road on the west side of the intersection. To facilitate this work safely, southbound traffic on Avenue Road will be reduced to one through lane at Eglinton Avenue West. All other traffic staging and turn restrictions will remain in place. One lane of traffic on Eglinton Avenue West and Avenue Road will be maintained at all times. The west crosswalk at Eglinton Avenue West and Avenue Road will be periodically closed. Pedestrians will be directed to cross at the east side of the intersection. This work is expected to take place on Monday - Friday between 7:00 a.m. and 6:00 p.m. for approximately two (2) weeks. Upon completion of this work, short term lane reductions may be required to facilitate special activities. Please review the complete notice or visit www.metrolinx.com/eglintoncrosstownlrt for more information.

What to Expect

Noise from construction activity can be expected. Periodic use of a hydro-vacuum truck will be required to facilitate certain works. Concrete barriers, fencing, and signage will be in place to delineate the work zones. One lane of traffic on Eglinton Avenue West and Avenue Road will be maintained at all times. Expect delays while traveling through the area.
