

Tree removals on Berkeley Street

Expected start date: As early as October 5, 2023

Expected duration: 2 weeks

Hours of work: Daytime from 9 a.m. to 4 p.m.

Map of Work Area:

What is happening?

- To facilitate ongoing archaeological investigations in the area, eleven (11) street trees will be removed.
- The trees being removed are located on the east side of Berkeley Street, down to the northeast intersection of the corner of Berkeley Street and Front Street East within the Metrolinx construction zone.

What to expect

- All roads in the area will remain open.
- The sidewalk along Berkeley Street and Front Street East (and corresponding intersections) will be temporarily closed to pedestrians while this work takes place (see map).
- Clear signage will be posted.
- A Paid Duty Officer will assist in directing pedestrians through the area.
- Barriers will be placed around the work zone for safety.
- Equipment such as a chainsaw, bucket truck and woodchipper equipment will be used.
- Some noise is expected with this work while removals are underway.
- As always, please take care when travelling near work sites.
- Work may be delayed or rescheduled due to unforeseen delays or weather conditions.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
