

# Environmental survey in Eglinton Flats area

**Scheduled start:** October 10, 2023 - October 12, 2023

**Timing:** 8:00 a.m. to 5:00 p.m.

## Map of work area

## What is happening?

- Staff working on behalf of Metrolinx will be conducting an environmental survey within the areas of Fergy Brown Park and Pearen Park.
- The purpose of this survey is to verify tree inventory and tree protection zones.

## What to expect

- An arborist will be conducting the tree inventory using a handheld GPS receiver to document the precise location of trees.
- The survey team will take photographs and notes based on their observations, and may replace damaged or missing tree tags for inventory verification purposes.
- Traffic and pedestrian access will not be impacted.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

## About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometers from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
