

Fence installation in Pearen Park

Scheduled start: October 13, 2023

Timing: 7:00 a.m. to 7:00 p.m.

Map of work area:

What is happening?

- Crews working on behalf of Metrolinx will be installing fencing in areas of Pearen Park marked in red on the map above.
- Fences are being installed on Metrolinx-owned lands to accommodate preparatory work for future construction of the Eglinton Crosstown West Extension.

What to expect

- Crews will install barriers around nearby trees that are being protected and preserved. They will also be clearly marked with signage.
- Minor sidewalk and road impacts can be expected.
- Some equipment may be left within the fenced areas but will be properly secured to ensure safety.
- Work is expected to take one day to complete and may be delayed due to weather conditions or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the future Mount Dennis LRT station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
