Kristin Jenkins
Connie Lim
John Potter
Nagina Shahsamand
Ala Abdelhamid

TDSB

Vladimir Tarakanov
Sergio Campoli
Emma Moynihan

Parent Council

Daniel Miller
Cara McCutcheon
Julia Macleod
Beverly Nollert

Summary

On Tuesday, August 22, 2023, Metrolinx hosted the Pape Avenue CLC (Construction Liaison Committee #7). The meeting was held virtually. Metrolinx presented the following details:

- Upcoming/ongoing construction work (Enbridge and Bell utility relocations)
- Long-term noise barrier - design and installation schedule
- Outdoor air quality monitoring - additional location

Metrolinx' team of subject matter experts and presenters addressed concerns and took feedback from the group.

Summary of Questions/Comments:

1. Community members shared concerns around site cleanliness and debris left onsite.
2. Residents had concerns about the flaggers on the Enbridge site- confusion and safety.
3. How long will the noise wall be in the area? Why will monitors be removed in January 2024?
4. What is the plan for children's participation in the mural design?
5. Residents alluded to Metrolinx' commitment to hosting a noise workshop and requested for an audiologist to be in attendance.

Pape Avenue Junior Public School CLC Meeting Summary
August 22, 2023
Virtual MS TEAMS Meeting 6:30 p.m. to 8:00 p.m.

6. What is Metrolinx' plan for security since street visibility will be reduced after the noise wall is installed?
7. Resident pointed out that Metrolinx committed to replacing soil removed with clean soil, yet soil was reused along Langley.
8. Why Mx did not follow commitment to dispose of all excavated soil at the school?
9. What level of decibel reduction will the noise wall offer?
10. When will the updated Health and Safety Plan be ready?

Action Items

1. Mx to follow up with noise expert to confirm Mx's position on TDSB's noise recommendations.
2. Mx to take back request for audiologist to attend noise workshop to be held late September.
3. Mx to follow up with Bell about removing remaining materials from Pape and Langley.
4. Mx to take back community's safety concerns about flagging operations during Enbridge Phase 1 work
5. Design and timelines for school's mural input to be discussed with TDSB in the coming weeks.
6. Mx to produce process for streamlining responses to safety concerns at Pape School.
7. Mx to take back potential security concerns in school playground resulting from noise wall.
8. Mx to procure clearer contact signage for sites near the Pape Avenue Junior Public School.
9. Mx to explore communications initiatives to coordinate activities and inform school about construction.

Next meeting: September 26, 2023
