

Major Track Closure Castlefield Ave to Steeles Ave

Friday, November 3 at 19:00 to Monday, November 6 at 05:00

Construction works occurring within the rail corridor from King Street West to the South and Finch Avenue West to the North.

Project Overview

The Barrie Double Track Enabling Works includes changes and upgrades to the existing rail corridor that will allow for the future installation of a second set of tracks to support two-way, all day service.

The Project Area is within the City of Toronto and goes from King Street West to the south and Steeles Avenue West to the north. The major track closure extends from Castlefield Avenue to Steeles Avenue, which is Zones 4 to 7 in the map above.

What You Need to Know

Metrolinx will be completing construction works within the rail corridor between Castlefield Avenue to Steeles Avenue West to provide for an additional set of tracks. To prepare for the main works, crews will be installing a casing pipe to protect an existing watermain from train loading, installing infiltration trenches for improved drainage, and daylighting buried utilities to assess potential conflicts with the future set of tracks.

WHAT TO EXPECT

- The work will be conducted as quickly and efficiently as possible to minimize disturbances.
- All work will occur within the rail corridor with designated access routes for construction staff.
- All work will occur when there is no train service.
- Some noise and vibration that is typical of construction activities. Residents and businesses near the work site can expect to hear noise caused by mini excavators, pickup trucks and other construction equipment related to this work. Noise levels and vibration levels will be within Project requirements.
- Efforts will be made to minimize dust and minimize idling.

HOURS OF WORK

- Work will occur 24 hours a day, 00:00 - 23:59.

TRAFFIC DETAILS

- There will be no traffic or pedestrian impacts.
