

Culvert Works at King Vaughan Rd & Dufferin St

November 3-6, 2023 (10:00 PM on Friday to 2:00 AM on Monday)

Overview

Metrolinx is continuing to make progress on upgrades to the Barrie rail corridor in support of GO Expansion! During an upcoming weekend shutdown of the Barrie Line (November 3-6, 2023), we will be working on a total of three culverts near King Vaughan Rd and Dufferin St.

What does this mean for you?

Nearby residents may experience some noise and vibration from the use of heavy construction equipment. Please be advised that there will also be partial lane closures on both King Vaughan Rd and Dufferin St near the rail corridor. We apologize for the inconvenience and thank you for your patience as we complete this critical work.

What is the timing and duration?

This work will take place during the day and overnight. It will begin at 10:00 PM on Friday, November 3rd, 2023 and continue until 2:00 AM on Monday, November 6th, 2023.

Questions

We have a dedicated community relations team in place to work with residents and businesses in York Region. If you have any questions or concerns about this work, please contact us anytime at YorkRegion@metrolinx.com.
