

Groundwater sampling on Minton Place

Start date: As early as November 8, 2023

Expected duration: Approximately two business days

Hours of work: 8:00 a.m. to 7:00 p.m.

What is happening?

- Work crew will be using handheld tools to install monitoring equipment into the road in support of the Ontario Line Project.

What to expect

- Residents can expect to hear some noise caused by this work.
- Please take care and watch for signs directing pedestrians when walking near construction areas.
- No driveways or parking spots will be impacted.
- A flag person will be on site directing traffic.
- All the necessary permits have been obtained.
- Work may be postponed or rescheduled due to unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
