

St. Clair Ave. W. Road Closures - November 20 to 23

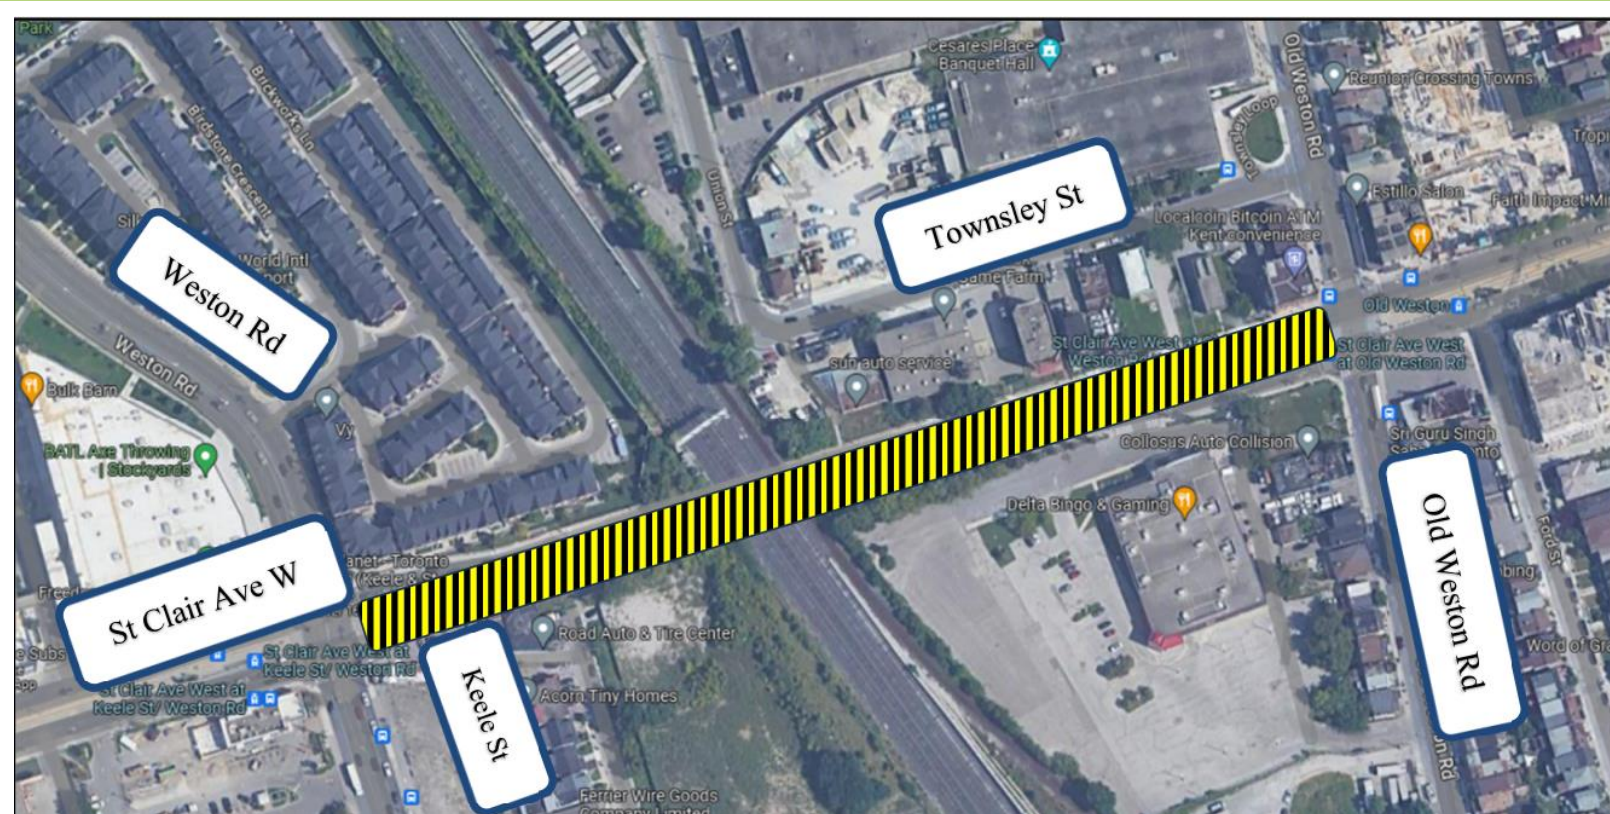

Figure 1: A map depicted the approximate work zone. Not to scale. For illustrative purposes only.

What Is Happening

As part of early works for the future SmartTrack St. Clair - Old Weston GO station, crews will be conducting SUE (Subsurface Utility Engineering) investigations using a HydroVac machine along St Clair Ave W, from Old Weston Rd to Weston Rd/Keele St. The purpose of this investigation is utility mapping for future planning and design activities. Residents can expect road closures, detours, and elevated levels of noise. All efforts will be made to minimize community impacts.

Project Overview

SmartTrack is bringing five new GO stations to Toronto, leveraging roughly 40 km of Metrolinx's pre-existing GO rail corridors within Toronto. The program is a collaboration between the Province of Ontario, City of Toronto, and Metrolinx that will transform heavy rail infrastructure in Toronto from a

regional commuter service into an urban rapid transit network, expanding your local network, creating new possibilities, and bringing you improved access to locations across the city.

The new SmartTrack St. Clair-Old Weston GO Station will be located on Union St. north of St. Clair Ave West, between Bloor and Mount Dennis GO stations on the Kitchener GO rail corridor.

WHAT TO EXPECT

- Work is scheduled from November 20 to November 23.
- The local community will experience road closures on St. Clair Ave. W.
- Residents and businesses near the worksite can expect to hear elevated levels of noise.
- All efforts will be made to minimize community impacts.

HOURS OF WORK

- Overnight work will be taking place.
- The work will take approximately 3 days and be completed between the hours of 9:00 p.m. to 5:00 a.m.
- Dates may be rescheduled to inclement weather or unforeseen circumstances.

LOCATION OF WORK

- The work will take place between St. Clair Ave. W. and Old Weston Road.

PEDESTRIAN DETAILS

- Pedestrians should use crossings at either side of Old Weston Road or Weston Road
- Sidewalks will be closed in the work areas
- Please watch for slow-moving construction vehicles and equipment which may be entering/exiting the work zone.

TRAFFIC DETAILS

- November 20: Closure of St. Clair Ave W., Westbound, from Old Weston Rd to Weston Rd/ Keele St.
- November 21: Closure of St. Clair Ave W., Westbound, from Old Weston Rd to Weston Rd/ Keele St.
- November 22: Closure of St. Clair Ave W., Eastbound, from Weston Rd/ Keele St to Old Weston Rd.
- Advanced signage will be posted at the following locations: St Clair Ave W & Caledonia Rd, St Clair Ave W & Runnymede Rd, Weston Rd & Rogers Rd, Bloor St W & Keele St to guide traffic to detour routes.

TRANSIT INFORMATION
