

One tree to be pruned on north side of Eglinton Ave. West, west of Russell Rd.

Scheduled start: November 17, 2023

Expected completion: November 17, 2023

Map of work area:

What is happening?

- A certified arborist will be pruning approximately 30 per cent of the tree's canopy to accommodate the operation of a drill rig.

What to expect

- WECC environmental personnel and a certified arborist will be on site to ensure the tree pruning is carried out in accordance with regulatory requirements.
- Residents near the site may hear noise caused by chainsaws and woodchippers.
- Traffic signage and alternative walkways will be provided during construction.
- Work may be delayed due to weather conditions or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
