# Open House Events

## November 27 - December 1, 2023

Join us for updates on the Barrie Rail Corridor Expansion in Toronto

The open house events will provide an update on construction in Zone 3, which extends from St. Clair Avenue West to Eglinton Avenue West.

### GO Expansion

Metrolinx is working to bring more transit connections to communities within the Greater Golden Horseshoe through the GO Expansion program. Metrolinx's GO Expansion program will improve train service across the GO network. As part of the program, Metrolinx is planning upgrades to the Barrie rail corridor, which will bring two-way, all-day, GO service. For more information visit [metrolinx.com/barrie](https://metrolinx.com/barrie).

## The Project

The Barrie Double Track Enabling Works includes changes and upgrades to the existing rail corridor that will allow for the future installation of a second set of tracks. The project area is within the City of Toronto and is organized into seven zones. Modifications and upgrades will occur between 2020 and 2026\*, with different zones being constructed at different times.

Zone 3 extends from St. Clair Avenue West to Eglinton Avenue West and will be completed between 2023 and 2026\*.

## Open House Events

The purpose of the open house events are to share progress updates, information on construction activities and schedule, and provide community members from Zone 3 an opportunity to ask questions about the overall project. Updates for the entire corridor will be provided as well.
