

Temporary construction area required for the Ontario Line

Expected start date: As early as November 27, 2023

Expected duration: Up to 8 weeks

Days: Monday - Saturday

Hours of work: 7:00 a.m. to 7:00 p.m.

What is happening?

- Construction crews working on behalf of Metrolinx, require a construction area in the location identified on the map to allow for preparatory work in advance of future construction of the Don Valley Crossing, one of the bridges that will carry Ontario Line subway trains across the valley in the northern part of the line.
- .
- Typical construction equipment will include dump trucks, excavators, bulldozers, compaction rollers and loaders.

What to expect

- Work areas will be fenced off and secured to ensure public safety. They will also be clearly marked with signage.
- Noise is expected from the construction vehicles and equipment.
- When construction vehicles enter or exit the work areas, traffic control personnel will coordinate the safe movement of vehicles and ensure pedestrian safety.
- Where required, crews will install barriers around nearby trees that are being protected and preserved.
- All the necessary permits have been obtained, and all applicable environmental regulations will be followed.
- Work may be postponed or rescheduled due to unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
