**November 28, 2023**

# Land Acknowledgement

Let us take a moment to acknowledge we are on lands that have been, and continue to be, home to many Indigenous Peoples including the Anishnabeg, the Haudenosaunee and the Huron-Wendat peoples.

We are all Treaty people. Many of us have come here as settlers, as immigrants or involuntarily as part of the trans-Atlantic slave trade, in this generation, or generations past.

We acknowledge the historic and continued impacts of colonization and the need to work towards meaningful reconciliation with the original caretakers of this land.

We acknowledge that Metrolinx operates on territories and lands covered by many treaties that affirm and value the rights of Indigenous communities, Nations and Peoples. We understand the importance of working towards reconciliation with the original caretakers of this land.

At Metrolinx, we will conduct business in a manner that is built on a foundation of trust, respect and collaboration.

# AGENDA

## 1. Welcome

- Land acknowledgement

## 2. Construction Updates

Enbridge utility work

- Bell Stage 2
- THESL work

## 3. Sewer Relocation

## 4. Long-Term Noise Barrier

- Site plan
- Status update
- Mural update

## 5. Upcoming Activities

## 6. Action items from October 24, 2023, CLC

## 7. Discussion

# Construction Updates

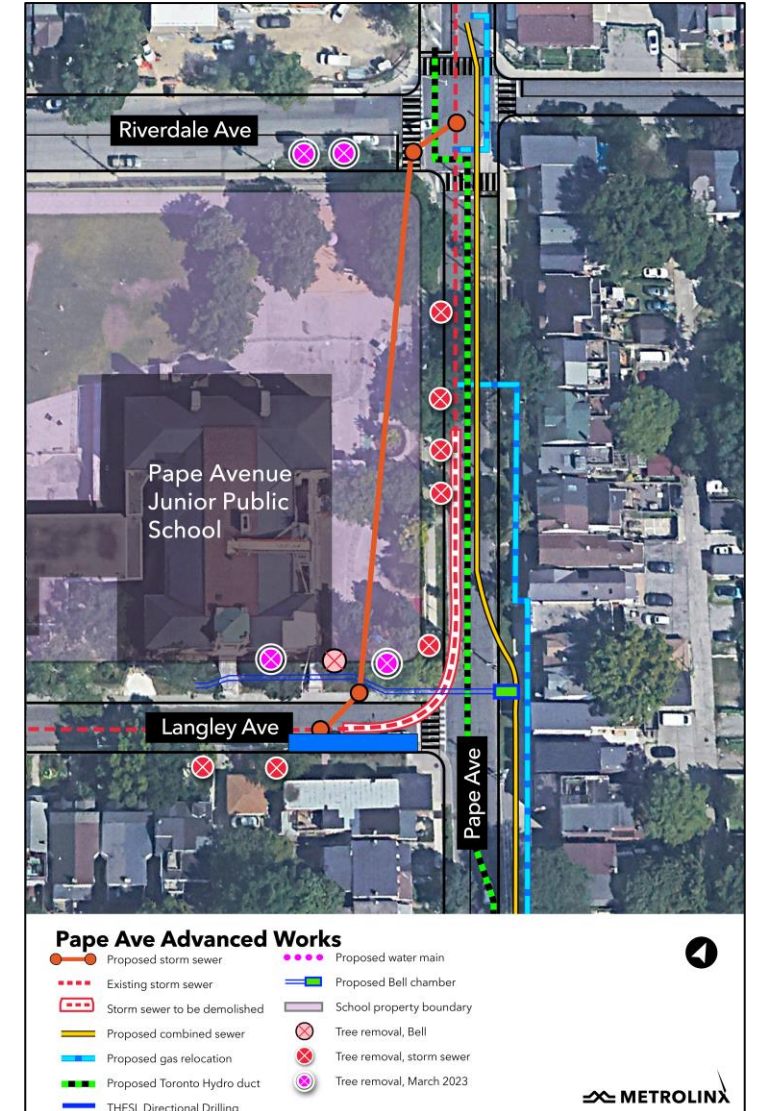

# Enbridge Gas Relocation Phase 2 and Bell Summary

## Phase 2

- Enbridge Gas started work on November 20, 2023, to relocate a gas line on the east side of Pape Avenue.
- Construction activities include:
  - open trench excavation
  - installation of new gas line
  - energization of the new gas line
- The work is planned to be completed in mid-December.

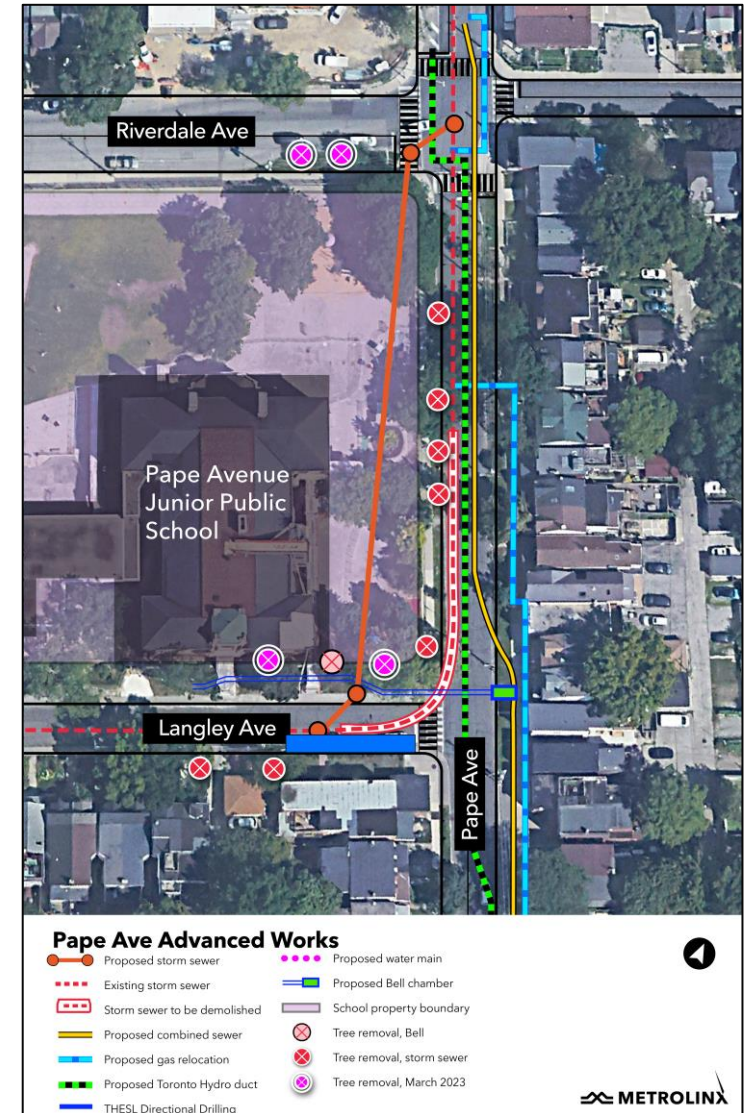

## Bell Stage 2

- Bell will be pausing cable pull work and resuming once the Enbridge relocation work has been completed.
- Work will continue until February 2024 on an intermittent basis.

# Upcoming THESL Work

- Toronto Hydro's existing duct bank along Pape Ave between Riverdale and Langley will be relocated to allow for the storm sewer relocation.
- Work will be paused during school drop-off (8:30 a.m. to 9:00 a.m.) and pick-up times (3:10 p.m. to 3:45 p.m.).
- All required permits have been received and work is expected to start in January 2024.
- Construction activities will include:
  - Sidewalk and road pavement cutting
  - Chamber rebuild
  - Directional drill work
- Equipment that will be used:
  - Saw cutting
  - Jack-hammers
  - Excavators
  - Hydrovac
  - Materials delivered by truck
- Additional details will be shared as soon as they are available.

# **Pape Avenue Jr PS Long-Term Noise Barrier**

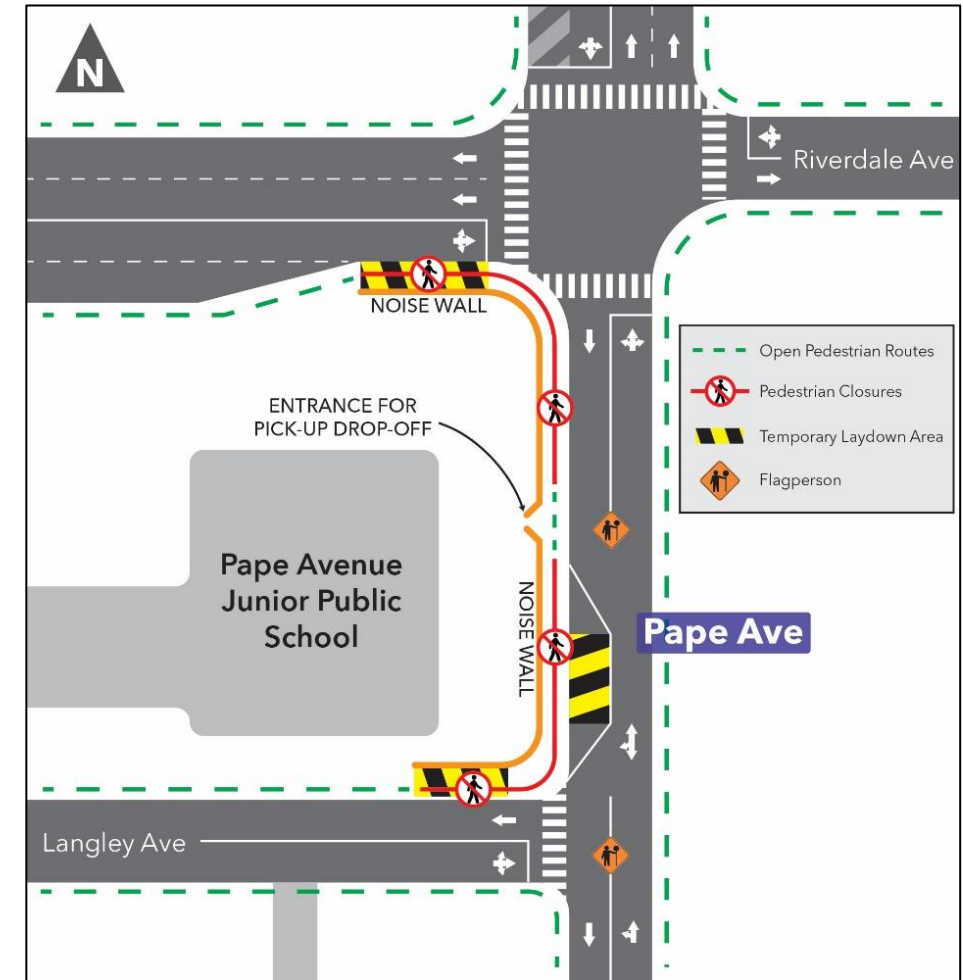

## Pape School Noise Barrier - Updates

### Construction:

- Construction will start once Enbridge work is completed.,
- Work is anticipated to begin December 18th.
- The expected duration to complete the work is 1.5 months.

### Mural:

- Metrolinx finalizing the mural proposal
- School will be engaged once a partner is selected
- Students will be part of the mural creation

# Sewer Relocation

# Sewer Relocation Update

- A new storm sewer from Riverdale Ave to Langley Ave will be installed by micro-tunneling beneath the school property.
- Contractor is expected to be retained in February 2024.
- Work is anticipated to start in May 2024.
- Detailed information will be provided to the CLC and the community in the new year, including safety, construction and traffic management plans.

### Pape Ave Advanced Works

- Proposed storm sewer
- Existing storm sewer
- Storm sewer to be demolished
- Proposed combined sewer
- Proposed water main
- School property boundary

## Upcoming Activities

- Metrolinx to circulate CLC meeting summary and action items by EOD Friday, December 1, 2023.
- Metrolinx to host a noise workshop December 12<sup>th</sup>, 2023.
- Metrolinx to share the updated HASP in early January 2024.
- Metrolinx to provide school and CLC with plan for the mural including student participation.
- Next CLC meeting to be scheduled for late January 2024.

## Action Log - Items discussed during October 24, 2023, CLC

Action Item	Response/Resolution
Metrolinx to take back request for audiologist to attend noise workshop to be held in October.	Audiologist from Speech-Language and Audiology Canada declined to participate in the noise workshop. Advised their area of expertise is not within scope of determining appropriate sound levels - that is best suited for a sound expert.
Metrolinx to schedule a noise workshop with CLC members.	Virtual noise workshop scheduled for December 12, 2023, from 7 p.m. - 8 p.m.
Metrolinx to take back the community's safety concerns about flagging operations during Enbridge Phase 1 work.	Enbridge has 10 traffic control people on site daily for Phase 2 work.
