

Evans Avenue Road Closure-December 8th to 11th

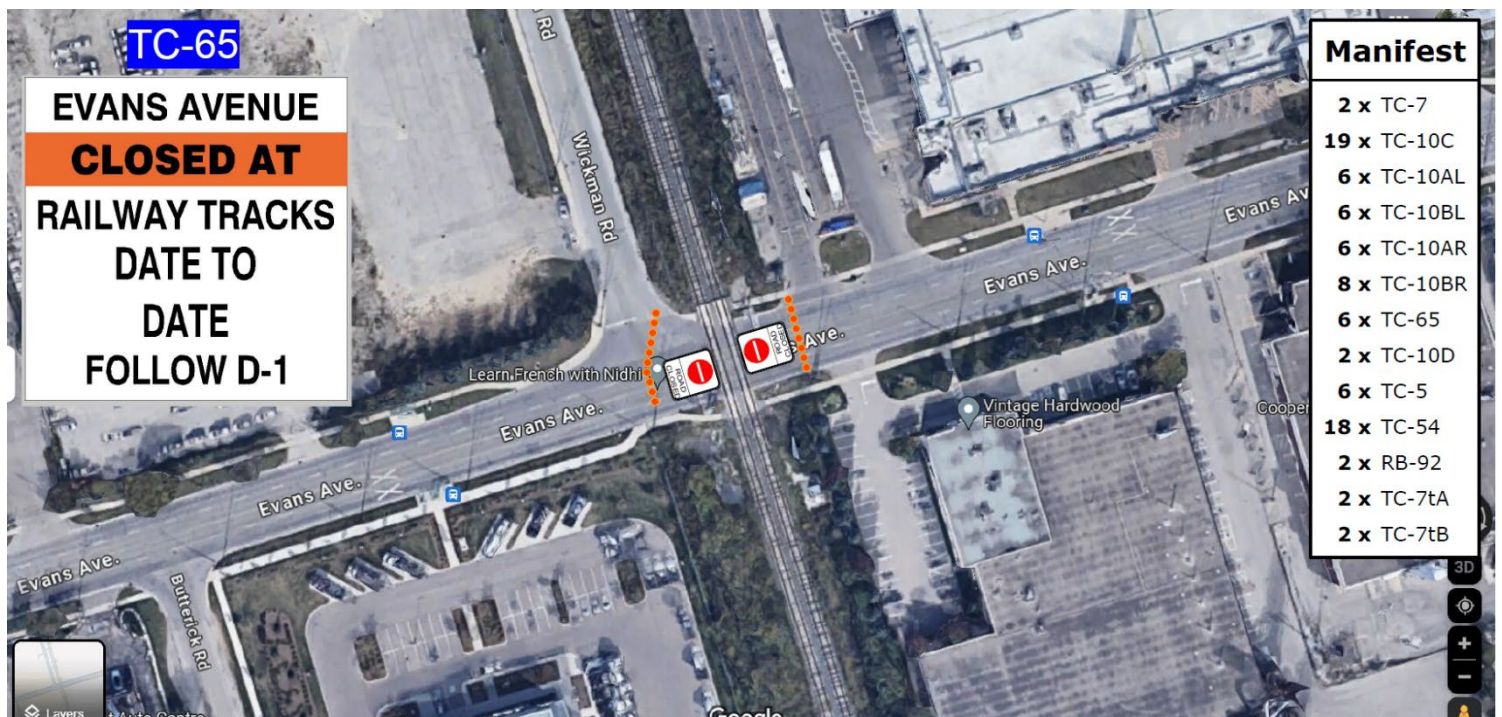

Figure 1: A map depicted the approximate work zone. Not to scale. For illustrative purposes only.

What Is Happening

There will be an upcoming Road closure at Evans Avenue Road due to crossing maintenance work. Work consists of removal of concrete crossing panels, asphalt, replacement of any damaged or worn track components and track surface, installation of rubber rail seal and pavement. Residents can expect road closures, detours, and elevated levels of noise. All efforts will be made to minimize community impacts.

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter
