

Dupont Bridge Rehabilitation

Wednesday December 20, 2023 - Friday December 22, 2023

Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line.

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

In order to complete the Dupont Bridge Rehabilitation works, a partial closure on Dupont Street is required. Partial lane and sidewalk closures will be required starting from Wednesday December 20, 2023. During the partial closures, traffic will be shifted but will remain open in both directions, and one sidewalk will always remain open for pedestrians.

WHAT TO EXPECT

- Noise - Back-up Alarms, all vehicles to be equipped with broadband backup alarms. Operational Equipment Noise, no vehicle or equipment idling, Equipment noise and increased truck traffic.
- Noise impacts - All vehicles and equipment on site will be equipped with backup alarms. Artificial Lighting impacts - All light plants will be pointed in the direction of the corridor and facing the ground as not to shine in any business or residential windows.

HOURS OF WORK

- 0700-1900

EQUIPMENT

- Pickup trucks, manlifts, excavators, concrete trucks, concrete pump, dump truck, and roll off trucks.

PEDESTRIAN DETAILS

- Pedestrians can expect one sidewalk to remain open during the partial closure. Pedestrians can expect to be detoured by signage located at the nearest crosswalks.

TRAFFIC DETAILS

- Vehicular traffic can be expected to experience narrow lanes. Dupont Street will remain one lane for vehicles travelling east and west.
- Bike lanes will be closed; therefore, all road users are expected to follow the rules accordingly.

OTHER INFORMATION

- These dates are tentative and may be subject to change due to weather or unforeseen circumstances.
- Work will be conducted as quickly and efficiently as possible to minimize disturbance but residents and businesses in the area can expect to hear noise caused by trucks, equipment, machinery, and crews.
