	Details	Time	Presenter
1.	Welcome and Safety Moment	10:00AM	Azim
2.	Finch Early Works Construction Update	10:05AM	Rezwan
3.	Roundtable <ul style="list-style-type: none">Q1. Is there a record for the number of times we exceeded noise and vibration levels? Black & MacDonald will tally the number of exceedances and report back. We will review the exceedances and how we responded during the December CLC.	10:15AM	All

	<ul style="list-style-type: none"> Q2. What is the construction completion date? The final completion date is dependent on the handover process with the City of Toronto and the TTC. Once paving is completed (anticipated by end of October), the City of Toronto and the TTC will assess the site against the pre-condition survey to ensure that the intersection has been fully restored before re-opening the intersection. 		
4.	Closing <ul style="list-style-type: none"> Next CLC meeting is likely to occur in late November or early December following project completion. 	10:20AM	Azim
