

Overhead Utility Relocation - Bella Vista Drive & Rodd Avenue - Pickering, ON

February 12 and February 19 (alternative)

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

To support GO Expansion projects, crews will be mobilizing to take relocate telecommunications cables from a utility pole within the Metrolinx corridor to a utility pole outside of the Metrolinx corridor to remove overhead cable conflicts over the Metrolinx Lakeshore East corridor in Pickering, Ontario.

WHAT TO EXPECT

- Crews will be on site to remove overhead telecommunications cable and move it to a utility pole outside of the Metrolinx corridor.
- Crews will be on site on the South side of the LSE corridor and within the boulevard/curb lane on Bella Vista Drive.
- Crews will be on site on **February 12, 2024, with an alternative date of February 19, 2024.**

Please Note: The work start date is tentative and may be rescheduled due to a variety of factors. Please reach out to the Durham Region Community Engagement Team for any questions.
