

Temporary Sidewalk Closure - York Street Between Front Street and Bremner Boulevard

January 22-26, 2024

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. Across the entire network, our goal is to deliver over 10,000 train trips a week - so you won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

What You Need to Know

As part of investigative work for the GO Expansion On-Corridor Works project, crews will occupy a delineated section of the north-south sidewalk along the east side of York Street to conduct bridge sampling to support geotechnical investigations near the Union Station rail corridor. This work will support future track and infrastructure updates.

WHAT TO EXPECT

- A geotechnical engineer and surveyors will occupy the north-south sidewalk along the east side of York Street between Front St and Bremner Blvd to conduct bridge sampling activity.
- We apologize for any inconvenience and ask for your patience as we complete this critical work.

HOURS OF WORK

- Work is expected to take place starting **January 22 for 4 nights between 10:30 p.m. and 6 a.m.** within the area highlighted on the map for several hours per day.

TRAFFIC DETAILS

- Temporary lane adjustments or closures may be required to complete this work safely.
- Signage and delineation will be installed as required to direct motorists around the work zones.

PEDESTRIAN DETAILS

- Pedestrians are encouraged to travel to detour along the York East Teamway and to use the north-south sidewalk along west side of York Street.
- A pedestrian crossing will be available at the intersection of York Street and Bremner Boulevard.

TRANSIT INFORMATION

- No anticipated impact to transit.
