

Lane Reductions and Turn Restrictions for Track Installation at Robert Speck Parkway and Hurontario Street

Beginning Thursday January 24, 2024 at 10 p.m., to Monday March 18, 2024 at 10 p.m

What work is taking place?

Crews will be welding tracks and doing concrete work for guideway installations within the intersection of Hurontario Street and Robert Speck Parkway. Work will begin on the north half of the intersection first. When completed, crews will shift staging over to the south half of the intersection. During this process, left turns will not be permitted at the intersection. Detours routes are available via Square One Drive and Burnhamthorpe Road. Work is planned to begin on **Thursday January 24, 2024 at 10 p.m., until Monday March 18, 2024 at 10 p.m.**

Construction work at this intersection is scheduled to take place from 7 a.m. - 10 p.m., seven days per week, until completion. Overnight work is required on the first day so crews can safely set up the staging for area. Access for emergency vehicles will be maintained across Robert Speck Parkway and Hurontario Street. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

Transit services will be impacted by these turning restrictions. Northbound MiWay Route 2 will be detoured. Please visit www.miway.ca/updates for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axes, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.

TIMING

- Intersection work is scheduled to begin January 24, 2024 until March 18, 2024.
- Construction is scheduled to occur from 7 a.m. – 10 p.m., 7 days per week.
