Friday February 9, 2024, at 7 p.m., to Monday February 12, 2024, at 5 a.m.

- Access to Hillcrest Avenue will be maintained from Hurontario Street

What work is taking place?

As utility upgrades progress in the area, crews will be installing sanitary infrastructure on Hurontario Street near Hillcrest Avenue/Kirwin Avenue continuously over the course of two weekends: **Friday February 2, 2024, to Monday February 5, 2024, and Friday February 9, 2024, to Monday February 12, 2024.** The work for both weekends will begin on **Friday at 7 p.m. and continue to Monday at 5 a.m.** Continuous weekend work is required so crews can minimize the impact on traffic, safely relocate sewer mains, and install pipes and manholes to the west side of Hurontario.

For phase one, through traffic will be restricted from Hillcrest Avenue eastbound to Hurontario and Kirwin Avenue.

For phase two, through traffic will be restricted from Kirwin Avenue westbound to Hurontario and Hillcrest Avenue.

Left turns will be restricted during each phase. Please follow detours and other traffic signs. Transit services will be impacted by these works. Please visit www.miway.ca/updates for updates on your transit route. In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work.

Keeping you in mind

We understand that we are building this transformational transit project in a residential area and that overnight work is not ideal. We appreciate your patience and will complete this work as efficiently as possible to get things back to normal for you. We have a dedicated community relations team in place to work with residents and businesses in Peel Region through the construction and operation of this transformational project.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
