

Speed Bump Restoration on Shallmar Boulevard

As early as Thursday, February 1, 2024

What Work is Taking Place?

As early as Thursday, February 1, 2024, crews at Forest Hill Station will be reinstating the speed bumps on Shallmar Boulevard between Bathurst Street and Mayfair Avenue, to their pre-construction condition. These speed bumps were previously modified during ECLRT construction to allow TTC vehicles on this road as an alternative route. To facilitate this work safely, eastbound and westbound lanes on Shallmar Boulevard will be periodically narrowed between Bathurst Street and Mayfair Avenue. At times, eastbound and westbound traffic may be reduced to one alternating lane on Shallmar Boulevard between Bathurst Street and Mayfair Avenue. Flaggers will be present to help facilitate traffic movements. This work will take place on Monday - Sunday between 7:00a.m. and 7:00p.m. for approximately one (1) week. Upon completion of this work, short term lane reductions may be required on Eglinton Avenue to facilitate special activities.

East Community Office:
Hours of Operation: Monday to Friday, 9:00 a.m. to 5:00 p.m.
Tel: 416-482-7411

West Community Office:
Hours of Operation: Monday to Friday, 9:00 a.m. to 5:00 p.m.
Tel: 416-782-8118
