

Updated: Overnight Work for Watermain Connections on Eglinton Avenue between Duplex Avenue and Holly Street

As early as Monday, February 5, 2024

What Work is Taking Place?

As early as Monday, February 5, 2024, crews at Eglinton Station will be performing watermain connection works on Eglinton Avenue between Duplex Avenue and Holly Street. This work is expected to take place on a 24-hour basis for approximately ten (10) days. Overnight noise from

construction activities including concrete breaking, truck staging, and use of a hydro-vacuum truck will be required to facilitate certain works. To facilitate this work safely, periodic lane reductions will be in place, alternating between the north and south side of Eglinton Avenue from Duplex Avenue and Holly Street. Lane reductions on the north and south side of the road will not take place at the same time. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue and Yonge Street. Upon completion of this work, short term lane reductions may be required to facilitate special activities.

What to Expect

Overnight noise from construction activities including concrete breaking, truck staging, and use of a hydro-vacuum truck will be required to facilitate certain works. Traffic barrels, fencing, signage, and other equipment will be erected to delineate work zones. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue and Yonge Street. Expect delays while travelling through the intersection.

HOURS OF WORK

- As early as Monday, February 5, 2024, for approximately ten (10) days.
- Work is expected to take place on a 24-hour basis.
- Work may be rescheduled due to inclement weather or unforeseen circumstances.
