

# Lane Closures on Burloak Drive

February 5, 2024

## Project Overview

Metrolinx's GO Expansion program is delivering more GO Service across the network, including trains every 15-minutes or better on the Lakeshore West Rail Corridor. We are upgrading the rail network and our GO stations to enable more frequent and fully accessible service. Metrolinx is working with the City of Burlington and the Town of Oakville to build a grade separation (building a road under the rail corridor) at Burloak Drive. This work will enhance pedestrian and vehicular safety and will optimize traffic flow at this crossing.

## WHAT WORK IS TAKING PLACE?

Construction Activities	Scheduled Start Date	Expected Duration	Work Hours/Days	Description of Work
Duct Bank Installation	February 05-23, 2024	3 weeks	Monday - Friday, between 9am and 3pm	<ul style="list-style-type: none"> <li>Construction of new utility duct bank across Burloak Drive, between Superior Court/Prince William Drive and Harvester Road/Wyecroft Road</li> <li>Excavation</li> <li>Installation of steel road plates</li> <li>Forming work, concrete pouring, and removals of forms</li> <li>Backfilling, removal of plates and paving</li> </ul>
Reoccurring Lane Closures	Ongoing until April 2024	3 months	Monday - Friday, between 9am and 3pm	<ul style="list-style-type: none"> <li>To perform essential work during construction, we will need to close lanes for short periods of time. Activities include but are not limited to:                             <ul style="list-style-type: none"> <li>Utility relocation</li> <li>Surveying</li> <li>Daylighting</li> </ul> </li> </ul>
* Please note that work may be rescheduled due to weather conditions or unforeseen circumstances				

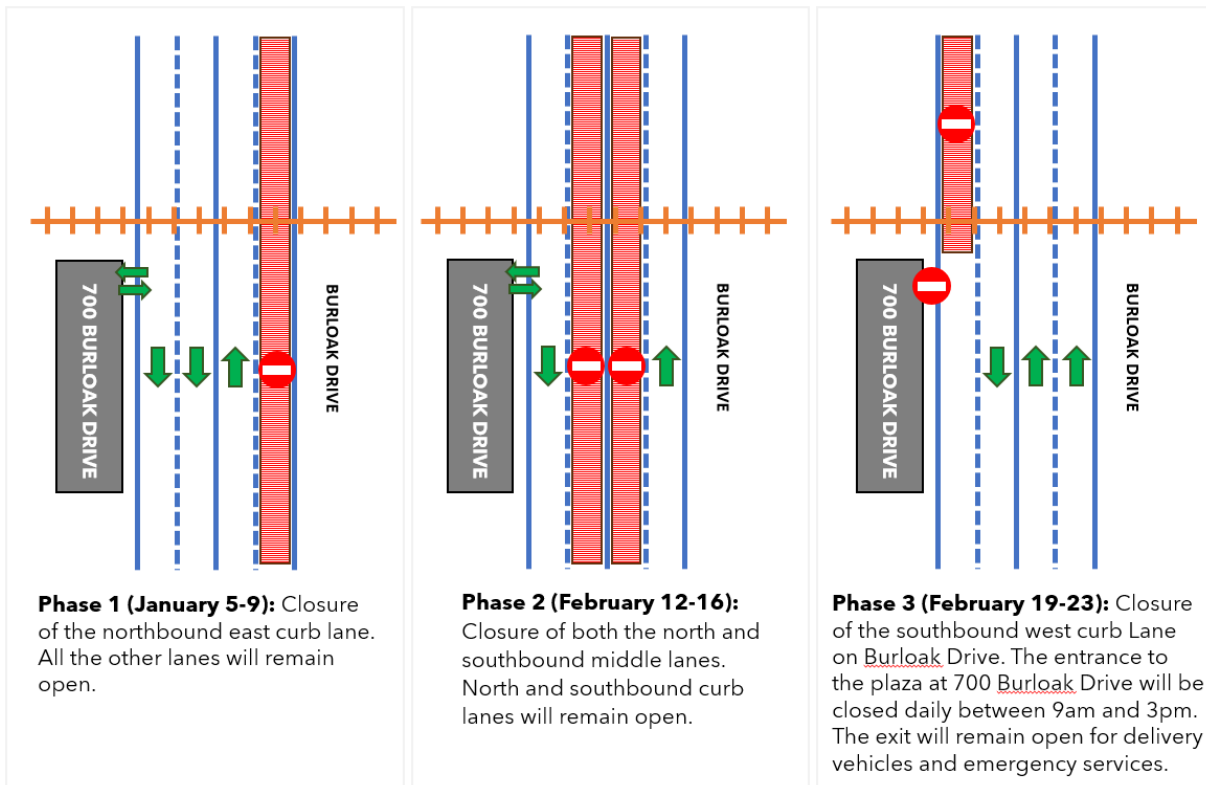

## WHAT TO EXPECT

Starting **January 05** until **February 23** we are installing a duct bank on Burloak Drive between Harvester / Wyecroft Road and Superior Court / Prince William Drive.

During this work, there will be short-term lane closures that will start from 9am and end at 3pm, Monday to Friday (see phasing plan below). Please note that short term lane closures will occur until the end of April 2024.

Reasonable precautions to minimize disturbances to residents and businesses include, but are not limited to the following:

- Ongoing monitoring for noise and dust
- Regular sweeping of streets.
- Two-way traffic will be always maintained.
- Pedestrian and cyclist traffic will be maintained.
