

Extended: Road Closure and Overnight Watermain Connection Work at Duplex Avenue and Eglinton Avenue West

Until approximately Saturday, February 24, 2024

What Work is Taking Place?

Through until the morning of Saturday, February 24, 2024, crews at Eglinton Station will be performing overnight watermain connections works at Duplex Avenue and Eglinton Avenue. To facilitate this work safely, Duplex Avenue will be closed at Eglinton Avenue West. No vehicular access will be permitted with the exception of TTC and emergency vehicles. For permitted vehicles, one lane of alternating traffic will be maintained. A Paid Duty Officer will be present while work takes place to help facilitate traffic movements. This road closure will be in place for the duration of work. **Upon the completion of work, access to Duplex Avenue at Eglinton Avenue West will be reinstated. This work is expected to take place on a 24-hour basis until approximately Saturday, February 24, 2024. Work will be carried out in two phases, refer to maps. Upon completion of this work, short term lane reductions may be required on Eglinton Avenue to facilitate special activities.**

Phase One: Crews will be working on the southeast side of the intersection. Vehicular access to Duplex Avenue will be restricted at Eglinton Avenue West with the exception of TTC and emergency vehicles. For permitted vehicles, one lane of alternating traffic will be maintained by flaggers. The eastbound right turn and westbound left turn from Eglinton Avenue West onto Duplex Avenue will be restricted. Southbound through traffic from Duplex Avenue will be restricted at Eglinton Avenue West. The crosswalk on the east side of Eglinton Avenue West and Duplex Avenue will be restricted.

Phase Two: Crews will be working on the southwest side of the intersection. Vehicular access to Duplex Avenue will be restricted at Eglinton Avenue West with the exception of TTC and emergency vehicles. For permitted vehicles, one lane of alternating traffic will be maintained by flaggers. The eastbound right turn and westbound left turn from Eglinton Avenue West onto Duplex Avenue will be restricted. Southbound through traffic from Duplex Avenue will be restricted at Eglinton Avenue West. The crosswalk on the west side of Eglinton Avenue West and Duplex Avenue will be restricted.

What to Expect

Overnight noise from construction activity including concrete breaking, truck staging, and use of a hydro-vacuum truck will be required to facilitate certain works. Construction vehicles and trucks will stage within work zones and traffic tapers. Traffic barrels, fencing, signage, and other equipment will be erected to delineate work zones. A Traffic Control Personnel and Paid Duty Officer will be present while work takes place to help facilitate traffic movements. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West. Expect delays while travelling through the intersection.
