

Fence installation at Mount Dennis Station

Schedule: February 20, 2024

Timing: 9:00 a.m. – 5:00 p.m.

Map of work area:

What is happening?

- Crews working on behalf of Metrolinx will be installing fencing in the plaza area at Mount Dennis Station, marked on the map above.
- Fences are being installed to accommodate future construction work for the Eglinton Crosstown West Extension.
- Construction activities are expected to begin later this year.

What to expect

- Residents and businesses near the work site can expect to hear some noise caused by trucks and equipment.
- Minor sidewalk and road impacts can be expected.
- Work is expected to take one day to complete and may be delayed due to weather conditions or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be daily.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometers from Mount Dennis Station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
