

24/7 Stormwater Installation at The Queensway and Hurontario Street

Monday February 26 to Sunday March 3, 2024

Works are scheduled to take place from 24/7 daily.

What work is taking place?

As utility upgrades progress in the area, crews will be installing stormwater pipes on the west side of the intersection at Hurontario Street and The Queensway from **Monday, February 26, to Sunday March 3, 2024**. The work hours are scheduled to take place around the clock until completed.

Some temporary lane closures and turning restrictions will be required during this work. Please follow detour signage. This work is being done continuously so crews will be able to complete this work safely and efficiently while minimizing impacts.

MiWay Route 4 and 103 will be detoured because of these works. Visit www.miway.ca/updates for updates on your bus route.

In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, backhoes, and other construction equipment related to this work. Please note, work may be rescheduled due to inclement weather or unforeseen circumstances.

Please note, work may be rescheduled due to weather or unforeseen circumstances. Please see roadway signage for the latest information. If you require the most up-to-date information, please reach out to peel@metrolinx.com and our team will provide you with e-updates of this work.
