

# Overnight Corridor Work, East Track Guard Rail Installation

*Work will occur at different locations and on different dates between approx. Bloor St W and Dupont St.*

**Approximately from March 10 - March 25<sup>th</sup>, 2024**

## Project Overview

The Davenport Diamond Guideway project supports Metrolinx's GO Expansion program, enabling two-way, all-day frequent service on the Barrie GO Line. GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology, and more connections. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

## What You Need to Know

*Overnight work for East Guardrail installation consisting of guardrail and grout work is required to complete the Guideway project and will be occurring at different locations and on different dates to March 25, 2024, within the Metrolinx corridor approximately from Bloor St W to Dupont St. Information on dates and locations of each of these aspects of work are tentative and may be subject to change due to weather or unforeseen circumstances.
