

Environmental survey in the Humber River Valley

Expected timeline: February 29, 2024 – March 1, 2024

Work hours: Thursday to Friday 8:00 a.m. to 5:00 p.m.

Map of work area

What is happening?

- Staff working on behalf of Metrolinx will be conducting an environmental survey within the Humber River valley just north of Eglinton Avenue West.

What to expect

- An arborist will be making visual inspections of trees within the area marked in red on the map.
- A handheld GPS device will be used to document the site boundaries.
- Traffic and pedestrian access will not be impacted.
- Work may be delayed or rescheduled due to inclement weather or unforeseen circumstances.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometers from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
