

# Toronto Hydro infrastructure installation on Atlantic Avenue

**Expected start date:** As early as March 1, 2024.

**Expected duration:** Up until March 31, 2024.

**Hours of work:** Daily from 7 a.m. to 5 p.m.

## Map of work area:

### What is happening?

- Excavation and relocation of underground utilities at the base of Atlantic Avenue, directly north of Exhibition Station.
- A portion of the roadway will be excavated, and a trench with new conduits will be built to connect and enable the new Exhibition Station.
- Once the work is complete, the roadway area will be repaved and restored.
- Equipment such as an excavator, dump trucks and grading machines will be used.

 Road Closure/Work Zone

 Traffic Control/Flag Person

---

## What to expect

- The foot of Atlantic Avenue will be closed to vehicles for approximately one month.
- Full pedestrian access to the existing GO Station will be maintained on the east sidewalk of Atlantic Avenue.
- Barriers, signage, and a flag person will be used as needed to separate the closed portion of Atlantic Avenue for vehicle traffic.
- Residents and businesses can expect to see large excavators, site vans, grading equipment and dump trucks hauling dirt away from the site.
- Trucks entering and exiting site, tractor trailers with large deliveries to site.
- Liberty Village and surrounding streets will be kept clean from soil as required.
- Residents will hear noise from work equipment during work hours.
- No weekend work is expected.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All necessary construction permits have been obtained.
- For more information about upcoming station work please see [metrolinx.com/Ontarioline](https://www.metrolinx.com/Ontarioline) or sign up for the e-newsletter.

---

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
