

# Hydro One Electrical Work at Don Valley

**Expected start date:** As early as June 24, 2024

**Expected completion date:** August 23, 2024

**Hours of work:** Weekdays from 7:00 a.m. to 5:00 p.m.

**Days of work:** Monday to Friday

## What is happening?

- As early as June 24, crews will begin installing new power lines between two new Hydro One towers at the location identified above. This work is required to facilitate the Metrolinx construction of the Don Valley Crossing bridge for the future Ontario Line subway.
- Construction activities will include laying power lines on the ground between the new towers and lifting the lines using cranes to connect to the new towers.
- This work will take approximately two (2) months to complete.

## What to expect

- Work will be done using cranes, trucks, and cable reels.
- The following trail will be closed during the duration of this work: **Sanitation Plant to Ridge**.
- A detour using Redway Water Treatment Service Road and Transformer Road will be available during trail closures.
- Trails will re-open nightly after 5 p.m. and remain open until 7 a.m. the following weekday. Trails will be open on weekends and holidays.
- Safety measures will be put in place by Hydro One to delineate the work areas from public-use areas.
- Equipment will be left on site at the tower locations and will be secured and protected with fencing, safety signage, and on-site security.
- Work may be delayed or rescheduled due to unforeseen weather conditions.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
