

Lower Jarvis Street Sidewalk Impacts and Evening Construction - Extended Timelines

Revised End Date: May 2024 (timeline subject to change)

What is happening?

The anticipated end date for the sidewalk closures will need to be extended into late spring 2024, to accommodate multi layered interrelated tasks leading up to the future bridge extension at Lower Jarvis. During this time, the west and east sidewalks along Lower Jarvis Street from Lakeshore Boulevard to just north of the rail bridge will continue to experience alternating closures, with one sidewalk fully open at all times.

Directional signage will be used to assist pedestrians through this area.

Updated March 15th, 2024

The sidewalk closures are necessary to facilitate bridge expansion work that will support upcoming bridge extensions. Please note, the access to Crombie Park and Cathedral Court communities will remain open during this construction period. We appreciate your ongoing patience and understanding of this necessary work. For more information about the work at hand please [click here](#) to view the secant wall construction notice.

We appreciate your ongoing patience and understanding of this necessary work. Dates subject to change.

Questions

If you have any questions or concerns about this work, please contact us any time via email at TorontoEast@metrolinx.com or by telephone at (416) 202-3900.
