

Pedestrian access closed between Eaton and Lipton Avenues at Pape Station

Expected start date: Wednesday, March 27, 2024

What is happening?

- Starting as early as Wednesday, March 27, 2024, crews will reconfigure the fencing surrounding the construction sites. **While access to Pape Station from Eaton Avenue will remain open, pedestrian access between Lipton Avenue and Eaton Avenue will be closed.**
- The closure will remain in place until September 2026.

- To accommodate construction activities for the Ontario Line, crews are demolishing the properties outlined in the map above. These buildings are Metrolinx-owned properties near Pape Station.

What to expect

- During demolition, noise from construction equipment including excavators, bobcats, and dump trucks can be expected.
- Short-term traffic interruptions can be expected while trucks and equipment enter and exit work zones; traffic control personnel will be present to direct vehicles and pedestrians.
- Construction equipment and materials will be secured within the work zones.
- Signage and safety barriers will be in place to delineate work zones.
- Work may be delayed due to inclement weather and/or unforeseen circumstances.
- All necessary construction permits have been obtained.
- For more information about upcoming work, please see metrolinx.com/OntarioLineConstruction or sign up for the e-newsletter at metrolinx.com/Subscribe

About the project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar and bus lines.
- Approximately 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
