

# Early Works near CP Rail tracks and 40 Beth Neilson Drive

**Expected start date:** March 25<sup>th</sup>, 2024

**Expected duration:** up to 3 weeks

**Hours of work:** Weekdays from 8 a.m. to 6 p.m.

## What is happening?

- Metrolinx is proceeding with construction activities in the northern section of the Ontario Line throughout spring 2024, to prepare for the construction of the Operations, Maintenance and Storage Facility.

- Beginning on March 25, adjacent to the CP tracks at Village Station Road and behind 2 Thorncliffe Park Drive, Metrolinx contractors will start removing trees and vegetation.
- The clearing and grading are required to install a concrete fence to ensure the public is protected from future construction at the site.
- The fence installation will begin as early as April 1, 2024, and is expected to take approximately 4 weeks to complete.
- The installation of fencing establishes a boundary for the area where work will occur throughout the year in support of the Operations, Maintenance and Storage Facility for the Ontario Line trains.

## What to expect

- Noise and pedestrian or traffic impacts associated with this work are not anticipated.
- Sidewalk access and vehicular road traffic will be maintained during and after installation.
- All the necessary permits have been obtained.
- Work may be postponed or rescheduled due to weather or unforeseen circumstances.

## About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
