

# Borehole drilling and soil investigations along Eglinton Avenue West between Scarlett Road and east of Jane Street

**Expected Timeline:** Week of April 1, 2024

**Work hours:** Monday to Friday 7:00 a.m. to 5:00 p.m.

## Map of work area:

## What is happening?

- Crews working on behalf of Metrolinx will be using drilling equipment to conduct environmental investigations on the north side of Eglinton Avenue West in the areas marked in the map above (between Scarlett Road and Jane Street).
- Drilling equipment will be used to collect soil samples that will inform plans for future construction of the elevated segment of the Eglinton Crosstown West Extension.

## What to expect

- Nearby residents can expect to hear noise related to drilling and the use of heavy equipment.
- There may be short-term delays to traffic as crews bring equipment to and from work areas.
- Work may be delayed or rescheduled due to weather conditions or unforeseen circumstances.
- Weekend work may be required as needed.

## About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of the Eglinton Crosstown LRT will run 9.2 kilometers from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
