

Trench construction on Queen Street West near Bay Street

Expected Start Date: As early as April 9, 2024

Expected End Date: May 20, 2024

Planned work hours: Weekdays, daytime from 7:00 a.m. to 5:00 p.m.

Map of work area:

What is happening?

- To prepare for construction of the future Ontario Line subway at Queen Station, crews will be digging a trench within the closed Queen Street in the area shown in yellow and black in the map above.
- This work will facilitate the future relocation of the TTC Feeder Cable on Queen Street West from overhead to underground.
- After the excavation is completed, and the ducting has been put in place, the trench will be filled, and the area reinstated.
- The work is scheduled to take place during the day between 7 a.m. and 5 p.m. It is estimated to take approximately one month to complete.

What to expect

- This work will take place within the closed Queen Street work zone.
- During this work, the crosswalk in the East of the intersection between Queen Street and Bay Street will be maintained.
- Pedestrian access will be maintained as indicated in the map above.
- Crews will be drilling and excavating trenches in order to install the ducting that will house the cables in the future.
- Community members can expect to hear noise from machinery as a result of the work.
- Crews may be on site prior to 7:00 a.m. to set up equipment and prepare for the upcoming shift.
- Work may be postponed or rescheduled due to unforeseen circumstances.
- All the necessary construction permits have been obtained.
- Updates will be provided as this work progresses.
