

Centennial Parkway Traffic Lane & Sidewalk Closures

April 16 to July 31, 2024

Project Overview

GO service is expanding to serve you better - with more frequent service, more stations, cleaner technology and more connections. The new Confederation GO Station is part of that expansion. Our goal is to deliver more than 10,000 train trips a week across the entire network. You won't need a schedule because you know the next train will be coming soon. GO Expansion will transform the GO rail network from a commuter service into an all-day, rapid system.

Information as of April 05, 2024

What You Need to Know

Construction crews will be working on the platform access at the west bridge support at Confederation GO Station in Hamilton. To facilitate this work, traffic lanes will be closed periodically on the west side of Centennial Parkway between Goderich Road and Arrowhead Road. Work may begin as early as 7:00am and will last until 4:00pm from April 16 to July 31, 2024.

WHAT TO EXPECT

There will be traffic lane and sidewalk closures on Centennial Parkway between Goderich Road and Arrowsmith Road from **April 16 2024 to July 31, 2024**. Dates are approximate and subject to change to due weather and other considerations.

LOCATION

South bound lanes of the west side of Centennial Parkway from Goderich Road to Arrowhead Road, and sidewalks on the west side of Centennial Parkway.

TRAFFIC

During construction activities, motorists should expect minor traffic delays on Centennial Parkway. Traffic control measures will be in place as needed during construction.
