

Decommissioning Monitoring Wells on Eglinton Avenue West between Yonge Street and Weston Road

Late-April 2024

What Work is Taking Place?

In late-April 2024, crews will be decommissioning monitoring wells on Eglinton Avenue West between Yonge Street and Weston Road. The wells served as part of the Geotechnical Instrumentation and Monitoring Program (GIMP). Periodic short-term rolling lane closures are required to complete this work. Eglinton Avenue West will be reduced to one lane in each direction where work takes place in the immediate area. Decommissioning each well will take approximately up to four (4) hours; upon completion, crews will move onto the next well. Work is expected to take place between 7:00 a.m. and 7:00 p.m. until approximately late-May 2024. Upon completion of this work, short term lane reductions may be required on Eglinton Avenue West to facilitate special activities.

What to Expect

Crews will be decommissioning monitoring wells on Eglinton Avenue West. Periodic short-term rolling lane closures on Eglinton Avenue West will be required to complete this work. Noise from construction activity can be expected. Construction vehicles and trucks will stage within work zones and traffic tapers. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West. Expect delays while travelling through the intersection.
