

# Lane Reductions and Turn Restrictions for Track Installation at The Queensway and Hurontario Street

Beginning Thursday May 2, 2024 at 10 p.m. to Thursday June 27, 2024 at 10 p.m

## What work is taking place?

Crews will be welding tracks and doing concrete work for guideway installations within the intersection of Hurontario Street and The Queensway. Work will begin on the north half of the intersection first. When completed, crews will shift staging over to the south half of the intersection. During this process, east-west traffic will be reduced to single lanes in each direction. Left turns will also not be permitted in the intersection. Detours routes are available via Dundas Street, Confederation Parkway, King Street and Camilla Road. Work is scheduled to begin on **Thursday May 2, 2024 at 10 p.m., until Thursday June 27, 2024 at 10 p.m.**

Construction work at this intersection is scheduled to take place from 7 a.m. - 10 p.m., seven days per week, until completion. Overnight work is required on the first day so crews can safely set up the staging for area. Access for emergency vehicles will be maintained. Traffic signal timings will be adjusted to keep people moving. Pedestrian crossings will be maintained at a signalized crosswalk. Please follow the signs installed to assist with navigating around the closure.

MiWay Route 4 and 103 will be detoured because of these works. Visit [www.miway.ca/updates](http://www.miway.ca/updates) for updates on your bus route. In accordance with City of Mississauga Noise By-Law Exemption requirements, this notice is meant to advise that residents near the work site can expect to hear noise and vibration caused by trucks, excavators, loaders, tri-axles, backhoes, and other construction equipment related to this work.

Please note, work may be rescheduled due to weather or unforeseen circumstances. If you require the most up-to-date information, please reach out to [peel@metrolinx.com](mailto:peel@metrolinx.com) and our team will provide you with e-updates of this work.
