

Overnight Monitoring Equipment Removals at the TTC Eglinton West Station Bus Loop

As early as Wednesday, April 24, 2024

What Work is Taking Place?

As early as Wednesday, April 24, 2024, crews at Cedarvale Station will be performing overnight monitoring equipment removals at the TTC Eglinton West Station bus loop. To facilitate this work safely, overnight noise from construction activities, including concrete breaking and use of a generator, can be expected. No changes to the current traffic or pedestrian routes are expected as a result of this work. This work is expected to take place on between 2:00 a.m. and 5:30 a.m. until the morning of Friday, April 26, 2024. Upon completion of this work, short term lane reductions may be required on Eglinton Avenue to facilitate special activities.

What to Expect

Overnight noise from construction activity including concrete breaking and use of a generator will be required to facilitate this works. Traffic barrels, fencing, signage, and other equipment will be erected to delineate work zones. One lane of traffic in each direction will be maintained at all times on Eglinton Avenue West.
